Presented to the Governor 7/16/2014.

July 14, 2014 Week-in-Review

Senate Bill 815	Ensuring Privacy of Student Records	Ensures the privacy of student educational records; directs the State Board of Education to do a number of things including: “prohibit the transfer of personally identifiable student data in the student data system unless otherwise provided by law and authorized by rules”	Signed into law by Governor on 7/1/2014. Session Law 2014-50
Senate Bill 818	Establish Education Endowment Fund	Establishes and dedicates fund for the North Carolina Education Endowment Fund to provide additional funding for K-12 public schools. “The General Assembly shall only appropriate moneys in the North Carolina Education Endowment Fund for teacher compensation that is related directly to improving student academic outcomes in the public schools of the State.” Money for this fund would come from the sale of an “I Support Teachers” license plate, as an itemized charitable deduction from individual tax returns, or as a corporate gift.	Passed first reading; referred to Education/Higher Education Committee; if favorable, re-refer to Appropriations/ Base Budget Committee; Committee Substitute Adopted; re-referred to Committee on Appropriations/Base Budget; sequential referral to Finance added on 6/18/2014
Senate Bill 833	SBE Study of Educator Compensation	Directs State Board of Education to study statewide merit pay or pay for performance for educators as recommended by “North Carolina Educator Effectiveness and Compensation Task Force”; “overall goal of a statewide compensation system developed by the State Board of Education for North Carolina teachers shall be to improve student learning by providing every student with a highly effective teacher”	Passed first reading; referred to Education/Higher Education Committee
Senate Bill 849	Clarify Regional School CIHS	Clarifies the cooperative innovative high school programs application process for	Passed first reading; referred to Education/Higher Education

	Applications	regional schools, to grant one-year status as a cooperative innovative high school to the Northeast Regional School of Biotechnology and Agriscience, and to provide funding for higher education tuition costs for students enrolled at the Northeast Regional School of Biotechnology and Agriscience.	Committee
Senate Bill 850	Permanent License Plates/Charter Schools	Makes charter schools eligible to receive permanent registration plates.	Passed first reading; referred to Transportation Committee
Senate Bill 852	NBPTS Bonus for Teachers in Title I Schools	Appropriates funds to provide NBPTS bonuses to teachers with NBPTS certification who are employed for at least 70% of their work time as instructional coaches in Title I schools.	Passed first reading; referred to Education/Higher Education Committee
Senate Bill 860	Public School Changes	Extends the testing window for public school semester courses; increases the weight of school growth in school performance grades; delays implementation of contracts for certain teachers; and provides flexibility for the terms of principal contracts.	Passed first reading; referred to Education/Higher Education Committee
Senate Bill 744	Appropriations Act of 2014	The Senate's proposed budget affects various aspects of public education including, but not limited to, teacher salary, school resources, transportation, and the Department of Public Instruction (DPI). Notable items include: increase teacher pay in exchange for giving up career status and longevity payment, no increase in funding for textbooks, continued funding for Teach for America, and a 30% decrease in funding for DPI.	Passed and engrossed in the Senate; passed first reading in the House and referred to Finance Committee; re-referred to Appropriations Committee; Senate failed to concur 6/17/14. Conference committee appointed by House and Senate. House changes conferees—message sent to Senate 6/24/2014. House

			changed conferees on 7/9/2014.
Senate Bill 880	Education Simplification Amendment	Proposes to amend the constitution of North Carolina to “simplify” the management of primary and secondary education by replacing superintendent of public instruction and State Board of Education with “secretary of education.” If passed, the terms of all members of the State Board of Education would expire by 2017 along with the superintendent’s position.	Passed first reading; referred to Education/Higher Education Committee.
Senate Bill 719	Student Organizations/Rights & Recognition (originally introduced in 2013)	Allows student organizations at constituent institutions and community colleges to determine their organizations’ core functions and resolve any disputes of the organization. Prohibits constituent institutions and community colleges from denying recognition to organizations for exercising these rights.	Signed into law by Governor on 6/25/2014. Session Law 2014-28
Senate Bill 3	Budget Modifications/Pay Raises/Other Changes (Originally filed in 2013)	The new “mini-budget” would give teachers a 5% raise without having to relinquish career status (tenure) or longevity pay. The bill also takes lottery funds off the table for teacher pay, although it is still unclear if lottery funds will still be used for other education budget items.	Passed 2 nd and 3 rd reading in the House; special message sent to the Senate. Senate ordered return to House/message sent to House. House ordered return to Senate message. Senate refused.
